

## CLOVERBUD DEPARTMENT 40

**PLEASE NOTE:** The following rules apply to exhibits in Static **AND** Livestock Departments.

1. Read General Rules, Static Exhibit Rules and Livestock Rules carefully. Please note that rules for individual departments apply to entries in the Cloverbud Department as well.
  2. **ALL STATIC AND LIVESTOCK** entries for Cloverbuds should be listed on **ONE** Cloverbud Entry Sheet; do not use the pink Static Entry Sheet for your entries. **IN ADDITION, LIVESTOCK** entries must also be listed on the Livestock Forms.
  3. Any Lot listed in the static departments may be prepared for exhibit in the Cloverbud Department; this includes Challenge Classes. Your exhibit must be prepared and presented according to the requirements in the individual static departments. For example: Food Department 19, Lot 08 requires 6 muffins. If you enter this Lot in the Cloverbud Department you must also present 6 muffins.
  4. Refer to the individual livestock departments for rules concerning cloverbud exhibits.
  5. **ALL ARTWORK AND PHOTOGRAPHS MUST HAVE AN ADHESIVE, CLOTH HOOKED PICTURE HANGER SECURELY FASTENED TO THE BACK.** Do not use coat hangers or masking tape.
  6. All clothes (including tee shirts) must be on wire hangers.
  7. On the entry slip indicate the number of years entered in this department.
  8. **Premiums are not awarded in this non-competitive department. Each exhibit receives a participation ribbon only. This applies to both static and livestock exhibits.**
